Mr. C. D. Oheim
Tax Agent

Dear Sir:

Referring to your letter of April 27, File S4, relative to the handling of Severance Taxes in connection with Uranium Production by Haystack Mountain Development Company:

When the matter was discussed with Mr. Evans some time ago we were under the impression that the Severance Taxes to which he referred were being paid by the Santa Fe Pacific. However, subsequent developments indicated that the reporting was being made by Haystack Mountain and the taxes being paid by it, in view of which there should be no change in the handling thereof.

Yours truly,

Mr. R. D. Lutton

Dear Sir:

With his letter of April 24th, file 164-28, Mr. Evans forwarded to me for further handling Producer's Monthly Report of Uranium Production by Haystack Mountain Development Company for the month of March, 1956, together with Voucher A-1467 payable to New Mexico Bureau of Revenue in the amount of \$153.14, advising that heretofore these statements and voucher have been mailed to Mr. Logan, who in turn has mailed them to the Auditor for approval and passing of the voucher to Treasurer Menninger for final validation and mailing to the payee.

I understand that the proposed change in handling of the Severance Tax matters results from certain instructions you recently issued to Mr. Evans, and there apparently is some confusion about this matter as the Severance Tax reporting and payment is a function of Haystack Mountain Development Company as the Producer, and I have no authority whatsoever to act for that company.

I am unaware of any change contemplated in the handling of Haystack tax matters; consequently, I have passed the Producer's Monthly Report and Voucher to Mr. Logan for handling as in the past. If this is not satisfactory, please advise.

Yours truly,
